Dear Brothers in Christ,

May God bless you all every minute every hour and every day in Jesus mighty and powerful name.

With due respect we are writing you in this way, honestly speaking from the Polytechnic, Eruwa, Ibadan; I and 219 other students Brothers and Sisters do gather at one of our Christian School Library. And there we read from your website, the powerful, undiluted, uncommon, undeniable, unending and unavoidable true messages of God, brethren the message from your website has latter touched the lives of 220 of us hear at the Polytechnic. We are more than 10 thousand students in our school, if I am not mistaking but 220 of us today decided to give our lives to Christ, hear goes our true testimonies. Sincerely we have been reading from your website for a while but just for reading sake, and none of us has ever concluded to give his or her lives to Christ but one day something so serious happened there were a misunderstanding between some cuties and 8 of our close friends were murdered in a cool blood. Brother this 8 friends of ours died without Christ. So today 220 of us only from the Polytechnic we don't want to die like our 8 friends. You see because of the messages we have been reading, and reading from your website and because of the death of our 8 friends 220 of us has now completely surrendered our whole lives to Christ. We remembered all we have been reading from your website about salvation, eternal life, and that Jesus is the way, the truth and life there is no any other way. And that to all who come to Jesus he will no wise cast out and God is able to save and forgive all sin.

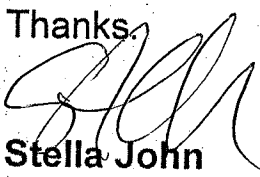

Brother, we have seen our friend died without Christ and 220 of us don't want to die without Christ, 220 of us want to make heaven.

Brother, you see 220 of us are before, backsliders, churchgoers. Drunkards, humanizers, idol worshipper, muslim and member of secret cults. But today, 220 of us have now denounced all this things. We all are now for Jesus and Jesus is now our Lord and Saviour. And we all have started going to a bible believing church. And we all are ready to witness for Jesus but our main problem now is lack of bibles, 220 of us don't have any Bibles to read God's word, and be able to stand and become complete soldiers of Christ and ambassadors of Christ, and this is weighing our Christian journey down but we believe by faith that your ministry is able to help and provide 220 bibles for us.

Dear brother in Christ peace kindly send to 220 of us. 220 complete Holy Bibles that has the Old and New Testaments and other helpful literatures and booklet that will equip us the more. So that we will grow spiritually. And we promise you that as soon as the bibles arrive it will be prayerful share, it will not be exchanged bartered or burnt but it will be use to the glory of God.

We all are praying for you all. Please help us and we will be happy to hear from you. You can e-mail me: fellowpeople@yahoo.com

Thanks,

Stella John
